

The Official KMIT Member Newsletter

KMIT Honors Ten-Year Members

Better late than never!

KMIT's Tenth Anniversary was January 1, 2004, nearly three years ago. On January 1, 1994, now almost thirteen years ago, KMIT began its first day of business with a total membership of sixteen cities. Those 16 have now been honored with 'Charter Member' plaques, which were given out at the KMIT Annual Meeting, held last week in Topeka. During the first quarter of '94, thirty-eight more cities came on board, and by the end of that first full year, KMIT membership totaled 54. Obviously, all of the above member cities also passed their Tenth Anniversaries as KMIT members during the year 2004. All are being awarded Ten-Year plaques, labeled 'Charter Member' or 'First-Year Member.'

Another twenty-four cities have passed the 10-year milestone since 2004, and all of those were also awarded a plaque. And, from now on, members will be presented with a Ten-Year plaque in October of the year in which their tenth anniversary with KMIT occurs.

All the plaques are designed to be added onto, and 5-Year 'mini-plaques' will be given out from now on, to commemorate each 5-year interval, beginning with 15 years in KMIT.

Congratulations to all of the 10-Year Members, especially **those brave 16 cities** that stepped forward at the very start of the KMIT pool on January 1, 1994.

[A complete list of ten-year members can be found within this newsletter. Plaques not picked up at the annual meeting will be mailed.]

Letter from the Pool Administrator

Dear KMIT Members and Others,

Another Annual Meeting. After four years, the afternoon format seems to be working very well (we used to do a breakfast). The turnout for this one was really gratifying. Fifty (about 36% of our membership) KMIT cities were represented, which appeared to be 90% or better of the KMIT cities which came to the League Annual Conference.

Five of our current Board of Trustee members were re-elected to two-year terms (see story); two of those, Gary Hobbie and Howard Partington, are beginning their last terms in accordance with KMIT's term-limit bylaws statement. Sharon Brown, of Clay Center, was elected to a one-year term (following a resignation...KMIT bylaws require that original terms be completed by election...Sharon would still be eligible to serve three, full, two-year terms, beginning in October 2007). Sharon is a Councilmember in Clay Center, in which position she has served for nearly 10 years.

The (overdue) introduction of 10-Year plaques was a thrill for me. It is very rewarding to see how many cities have stayed with KMIT for a long period of time, and that is what a successful pool is really all about...the LONG HAUL. Pools are similar to 'for profit' insurance companies in many ways, but ONE of the *crucial* differences between a pool and a 'company' is that a pool is a long-term commitment of *all* its members, for the long-term health of the pool *and* its individual members *acting together as a unit*. A pool just doesn't make it if its members come and go. As I have often stated, investing in a pool is *not* like buying a stock; it *is* like investing in a mutual fund...its return can only really be measured over the long haul—KMIT cities know that, and have chosen to invest for the long haul. The KMIT pool is healthy and strong today because of the mutual commitment of its *extremely loyal* members.

KMIT officers for the 2006-2007 year were elected by the Board at their meeting which immediately followed the Annual Meeting. Officers for the upcoming year are: President, Linda Jones; Vice President, Lana McPherson; and Treasurer, Bud Newberry. Now Immediate Past President Keith DeHaven stays on as a member of the '06/'07 Executive Committee.

See you down the road...

IMA Adds Two New Safety Training Videos

"Developing a Positive Safety Culture" is specifically designed for public entity managers, supervisors and employees who want to improve their safety programs. Unfortunately, accidents can not always be prevented, but organizations with strong safety cultures have far fewer accidents than entities with weak cultures. The benefits of developing a positive safety culture include; fewer accidents and less severe injuries, lower insurance costs, improved employee morale, increased productivity, and better public relations within the community. This video discusses the methods for establishing a strong culture by communicating with staff, supporting safety items in the budget, setting a good example, holding staff accountable, and implementing a cost allocation system.

"Transportation Series: Route Observations"

All new program developed for a large trash hauling vehicle to train vehicle operations in the potential hazards during routine operations. Covers overhead wires, backing up, tight spaces, children, and pedestrians.

To order either of these videos, contact Kristi McCosh <u>kristi.mccosh@imacorp.com</u> or call (316) 266-6297

Safe Cities as of September 30, 2006

If you would like assistance returning an injured employee to work, or need ideas for modified duty, please contact Victoria Vanderhoof, 1-877-502-9897 or <u>victoria.vanderhoof@imacorp.com</u>.

2007 Regional Supervisor Training Schedule

Work-comp-specific **supervisor trainings** will be held in four KMIT cities in late winter. These 'half-day,' afternoon (1-4), sessions will focus on the things that supervisors can do to make work comp work best, while helping to minimize employee lost time and employer expense, and are designed specifically for supervisors at all levels—from front-line supervisors, to department heads (including police chiefs, superintendents, and utility directors, and others), to city clerks, administrators, and managers.

The training dates and cities are as follows:

Thursday, February 1, **Dodge City**

Thursday, February 8, Bonner Springs

Thursday, February 15, Coffeyville

Thursday, March 1, Haysville

Details will be available early in the new year.

KMIT Annual Meeting

KMIT held its **13**th **Annual Meeting** in Topeka on October 9. A total of 50 KMIT cities were represented, including 145 city officials, which was a *fabulous* showing.

The event began with a reception featuring light snacks and liquid refreshments. Outgoing KMIT President Keith DeHaven (Sedgwick Mayor) presided over the agenda portion of the meeting, which was highlighted by the introduction of 10-Year membership plaques, the awarding of the Risk Control 'Stars,' and the election of six Board of Trustee positions. Those who were re-elected to two-year terms on the Board were: Howard Partington (Great Bend), Cheryl Beatty (Eudora), Steve Archer (Arkansas City), Gary Hobbie (Russell), and Ty Lasher (Cheney).

Sharon Brown (Councilmember from Clay Center) was elected to a one-year Trustee position.
