Absences/Quorum Declaration: Lasher declared a quorum, with no Trustee absences.

Minutes Approval: The minutes from the Moundridge meeting of February 28, 2020 were unanimously approved as written, following a motion by Dillner and a second by Needleman.

Financial Reports (Kifer):

1. February 29, 2020 Financials
2. March 31, 2020 Financials
3. January 31, 2020 Financials
4. Second Quarter REVISED (6/30) 2019 KID Report
5. First Quarter (3/31) 2020 KID Report

The motion to approve the above reports was made by Dillner; seconded by Mitchell. Approved unanimously.

Annual (Milliman) Actuary Review: Cornejo presented a review of the 2019 actuarial report, as prepared by Milliman. Report filed. One highlight of the report is a reduction in the amount of IBNR (Incurred But Not Reported) of \$371,537 (since last year's report), which, generally speaking, indicates an increase in Fund Balance (Net Worth).

Reserve Advisory and Settlement Authority: Miller presented the following claims--

1. Claim #18735622 (Stafford). Request to settle in the amount of \$37,250 approved unanimously upon a motion by Dillner; second by Mitchell.
2. 002824030691901 (Independence). Settlement previously approved (via email) by Board. Final settlement was ultimately \$27,500 LESS than had been approved earlier.
3. 19754179 (Garden City). Reserve Increase Advisory.

8. 20790116 (Great Bend). Reserve Increase Advisory.

A lengthy discussion followed, concerning the various possible effects of COVID-19, including expansion of legal coverage requirements, loss of premium revenue because of laid off employees and/or paid leave, insufficient rates to cover added coverage requirements, etc.

Loss Control Activities: Rhodes gave an update/review of risk control activities. Annual certification reviews are being held via phone only, with site visits being put off indefinitely. Trainings on hold.

Other: Osenbaugh gave a brief report, including:

1. KMIT added no members this spring, but did work up four quotes for cities;
2. Marketing work with Kansas community colleges has been put on hold until later this year;
3. The City of St. John will be leaving KMIT on July 1;
4. The Supervisor Seminar scheduled for WaKeeney on June 25 will be cancelled;
5. The Trustee meeting scheduled for WaKeeney is still on for now, but could be moved to Skype. That decision will be made about June 1.

Adjournment: Meeting was adjourned at 10:36 A.M., following a motion by Mitchell; second by Matite.

Don Osenbaugh, Pool Administrator (acting as Board-Designated Secretary)

Re: Claim No. 2015071784
Insured: City of Augusta
Claimant: [REDACTED]
D/A: 08/17/15

Dear Gene:

I am pleased to advise that I have finally been able to negotiate a full, final and complete settlement of the above-referenced complex workers compensation claim. The terms of the final settlement agreement are as follows:

1. Lump sum payment of **\$70,000.00** to the claimant and his attorney.
2. I have negotiated an agreement with Wesley Medical Center to reduce outstanding medical expenses that exceeded \$700,000.00 to the sum certain of **\$35,000.00**. Under the terms of this agreement, Wesley Medical Center will accept **\$35,000.00** from KMIT and will reduce the claimant's outstanding balance on all accounts to \$0.00. Wesley Medical Center has received the Release documentation I have prepared and have agreed to sign it. I should have the signed document back today.
3. Under the terms of the settlement agreement, the claimant will waive all rights to future medical, review and modification and any other benefit he may be entitled to under the Kansas Workers Compensation Act. KMIT will be responsible for all valid and authorized medical incurred up through today's date.
4. KMIT will also be responsible for other outstanding medical expense the claimant incurred in association with his hospitalizations for the back surgery and treatment for the bacterial meningitis. As best I can determine, at this point, the only significant bill

that remains is from Abay Neuroscience which was in the approximate amount of **\$8,000.00**. I have communicated with Abay, however, they have refused to respond regarding any type of compromise. There are also a few other straggler bills that are not particularly significant, and I am working on trying to resolve those on a reduced basis. I would not anticipate any additional medical expenses to exceed **\$5,000.00** on the claim and there is some chance the providers may just close their accounts. Unless it is a major complication for you, unless the claimant's counsel tells me that his client continues to be dunned for the balance, I do not intend to try and chase these providers down to offer them money. If it would be extraordinarily difficult to reopen the file at a later date, I could move forward now and try to pin the numbers down.

5. Since this claimant did apply for Social Security Disability benefits, it was my recommendation that KMIT seriously consider Medicare's interest in the case. As you are award, KMIT did expend a considerable sum of money providing treatment to this claimant. This is the type of case that can present significant Medicare exposure in the future. To significantly reduce the chances of any Medicare problems down the line, I did recommend that KMIT obtain a Medicare Set-Aside from a qualified vendor. We did accomplish that through Care Bridge. A copy of the final Care Bridge MSA in the amount of **\$14,316.59** is attached for your review. Under the terms of the settlement agreement, KMIT will fund this Medicare Set-Aside in a lump sum payment.

Taking all factors into consideration including the fact that KMIT received a negative opinion from both Dr. Dickerson as well as the court-ordered medical evaluator, Dr. Bernhardt regarding their liability for the substantial medical expenses incurred by the claimant following his emergency back surgery, I consider this settlement to be a cost-effective resolution for KMIT. Perhaps even more importantly, is the fact that we are now in a position to close out any future ongoing liability on the claim.

Settlement hearing has been scheduled for **May 4, 2020 at 3:30 p.m. before John Nodgaard**. Please forward settlement check payable to the claimant and his attorney, Larry Gurney, to my office. Mr. Gurney's Federal Tax Identification number is 48-1053858. **Please also send a separate check payable only to the claimant for the MSA. Please check your file for any applicable liens including child support. If there is a lien involved, please make sure a separate check is prepared to protect the lien.** If you need my assistance in determining if the lien is valid, do not hesitate to contact me. I will be back in touch shortly with closing report.

Sincerely,

Don,

Attached is a letter from our defense attorney, Ron Laskowski regarding settlement of a City of Augusta regarding a refuge worker being smashed in the compactor of a trash truck. The Board had granted me \$210,000 in their meeting February 28, 2020 and we have successfully settled the claim, for no more than \$124,316.59.

Another really good settlement.

Independent Auditor's Report

To the Board of Trustees
Kansas Municipal Insurance Trust

We have audited the accompanying statutory financial statements of Kansas Municipal Insurance Trust, which comprise the statutory-basis statements of admitted assets, liabilities and fund balance as of December 31, 2019 and 2018 and the related statutory-basis statements of revenue, expenses, and changes in fund balance, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions prescribed or permitted by the Kansas Insurance Department. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2, these financial statements were prepared by Kansas Municipal Insurance Trust on the basis of the financial reporting provisions prescribed or permitted by the Kansas Insurance Department, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Kansas Insurance Department. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the financial statements referred to in the first paragraph do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Kansas Municipal Insurance Trust as of December 31, 2019 and 2018, or the results of its operations or its cash flows for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred in the first paragraph present fairly, in all material respects, the admitted assets, liabilities, and fund balance of Kansas Municipal Insurance Trust as of December 31, 2019 and 2018 and the results of its operations and its cash flows for the years then ended, in accordance with the financial reporting provisions prescribed or permitted by the Kansas Insurance Department as described in Note 2.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of administrative expenses, statements of revenues, expenses and changes in fund balance and statements of revenue, expenses and changes in fund balance cumulative activity by contract period are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

KANSAS MUNICIPAL INSURANCE TRUST

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of business and ownership

Organization and nature of operations

Kansas Municipal Insurance Trust (“Trust”) is an interlocal governmental agency formed for the purpose of establishing and administering a group funded workers compensation pool (“Pool”) pursuant to the provisions of Kansas state law governing labor and industries. The Trust began operations on January 1, 1994 and provides a comprehensive workers’ compensation insurance program for members of the League of Kansas Municipalities. In addition to insurance coverage, the program provides risk management services with emphasis on loss control, claims administration, and management information services.

Each member of the Pool has jointly and severally agreed to assume, pay, and discharge all applicable liabilities under the Kansas Workers’ Compensation Act, 581, et. seq., and all lawful orders of the Commissioner of Insurance; and each member has agreed to pay any premiums, taxes, and assessments as may be required by the Board of Trustees.

Note 2 – Summary of accounting policies

Basis of accounting

The accompanying financial statements have been prepared in conformity with accounting practices prescribed or permitted by the Kansas Insurance Department and are not in conformity with generally accepted accounting principles followed by other business enterprises. The reporting requirements of regulatory authorities are designed primarily to demonstrate ability to meet claims of policyholders. Pursuant to such statutory practices:

- (1) Investments are comprised of U.S. Government securities, corporate bonds, stocks and deposits with banks and are carried in accordance with the accounting practices as prescribed by Kansas Statutes.
- (2) Premium income is recognized as earnings on a pro-rata basis over the periods covered by the policies. The related acquisition costs, such as commissions, premium taxes and other items, are charged to current operations as incurred.
- (3) Computer software, office furniture and fixtures, and accounts receivable over ninety (90) days past due, or otherwise not considered collectible, if any, are charged-off against the fund balance.
- (4) Subrogation recoverable is not recognized.
- (5) Non-admitted assets such as prepaid expenses and other assets not specifically identified as an Admitted asset within the NAIC’s Accounting Practices and Procedures Manual are excluded from The accompanying balance sheets and are charged directly to members’ equity for statutory purposes.

No determination has been made of the effect of such differences on the accompanying financial statements.

Reserves for unpaid workers compensation claims

The reserve for workers’ compensation claims is determined using case basis evaluations and statistical analyses, and represents estimates of the ultimate net cost of all losses and claims incurred through the end of the contract year.

KANSAS MUNICIPAL INSURANCE TRUST

NOTES TO FINANCIAL STATEMENTS

Excess insurance

The Trust obtained insurance coverage for workers' compensation claims in excess of \$750,000 per occurrence for the period from January 1, 2019 to January 1, 2020 and \$750,000 per occurrence for the period from January 1, 2018 to January 1, 2019. The actual amount recoverable from the excess insurer depends on the ultimate claims settlements.

Risk and uncertainties

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes would materially affect the amount reported in the financial statements.

Concentration Risk

The Trust's direct premiums earned consist solely of amounts from members of the Pool. These members are all located within the State of Kansas. The Trust does not require collateral.

Excess insurance losses for applicable years are contractually transferred to an excess carrier. The Trust does not require collateral from its excess carrier.

Cash and cash equivalents

The Trust considers all highly liquid investments to be cash equivalents, including deposit accounts and all certificates of deposit.

The Trust has sweep repurchase accounts at Commerce Bank in place to cover any excess funds. The cash administrative and claims accounts are swept daily to maintain balances at or below the \$250,000 FDIC insured limit.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates that are subject to change in the near term relate to the estimates for reserves for unpaid workers' compensation claims.

Note 3 – Cash allocation

Cash is allocated between administrative and claims funds as follows:

	<u>2019</u>	<u>2018</u>
Cash-administrative	\$ 246,656	\$ 287,495
Cash-claims	<u>606,985</u>	<u>1,257,088</u>
Total cash and cash equivalents	<u>\$ 853,641</u>	<u>\$ 1,544,583</u>

KANSAS MUNICIPAL INSURANCE TRUST

NOTES TO FINANCIAL STATEMENTS

Note 4 – Investments

Investments consist of debt securities. It is the intent of the Trust to hold investments to maturity. Debt securities are carried at amortized cost which approximates fair value. The Trust follows a policy of amortizing to an early call date, if any, rather than to the maturity date.

At December 31, 2019 and 2018, fair value, gross unrealized losses and amortized cost of investments were as follows:

2019					
	Original Cost	Amortized Cost	Gross Unrealized Gains	Gross Unrealized Losses	Fair Value

The following is a summary of maturities of these securities as of December 31, 2019.

<u>Amounts maturing in:</u>	Amortized Cost	Fair Value

Note 5 – Fair value measurements

FASB ASC 820 establishes a framework for measuring fair value, that framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, it consists of three levels:

Level 1 – Valuation is based upon quoted prices for identical instruments traded in active markets.

Level 2 – Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.

Level 3 – Valuation is generated from model-based techniques that used significant assumptions not observable in the market.

Note 6 – Reserve for unpaid workers’ compensation claims

The reserve for unpaid workers’ compensation claims represents an estimate of the ultimate settlement of losses incurred through December 31. Management engaged an outside actuary to determine the sufficiency of the reserve for losses estimate at December 31, 2019 and 2018. The reserve is estimated based on management’s evaluation of the actuarial study and its own evaluation of reported claims and an estimate for claims incurred but not reported. The accuracy of these estimates cannot be determined prior to the ultimate settlement of each claim. Accordingly, the ultimate cost of settling these claims may vary significantly from the liabilities recorded.

The components of the loss reserve at December 31, 2019 and 2018 are as follows:

	<u>2019</u>	<u>2018</u>
Reported claims	\$ 4,585,327	\$ 4,204,760

Note 7 – Taxes, licenses and fees, due and accrued

The Division of Workers' Compensation fee and the Second Injury Fund assessment are based on certain percentages of losses. The percentages are established by the Director of Workers' Compensation and the Kansas Insurance Department, respectively. The percentages applicable to the year ended December 31, 2019 have not been released, so the fees and assessments included in the financial statements have been estimated using the prior year percentages. Since fees and assessments are based on losses, the ultimate amounts payable will depend on the ultimate claim settlements, as well as on the final percentages established. Accordingly, the actual amounts payable may vary significantly from the estimated amounts included in the financial statements.

Note 8 – Deposits on premiums

Deposits on premium of \$777,682 and \$982,386 represent premiums for the 2020 and 2019 contract years collected prior to December 31, 2019 and 2018, respectively.

KANSAS MUNICIPAL INSURANCE TRUST

NOTES TO FINANCIAL STATEMENTS

Note 9 – Related party transactions

The Trust is sponsored by the League of Kansas Municipalities and employed the League of Kansas Municipalities for endorsement purposes during 2019 and 2018. During the years ended December 31, 2019 and 2018, the Trust incurred expenses of \$32,500 and \$32,500, respectively for these services.

All fees are based on contract provisions or agreement of the Board of Trustees.

Note 10 – Commitments and Contingencies

The Trust, in common with other group funded workers compensation pools, is continually engaged in defending insurance claim proceedings as a normal part of the Trust's business.

Note 11 – Subsequent events

Management has evaluated subsequent events through June 2, 2020, the date on which the financial statements were available to be issued, and determined that there have been no subsequent events that would require recognition in, or disclosure in the notes to, the financial statements.

However, as result of significant disruption in the U.S. economy due to the outbreak of the COVID-19 coronavirus in 2020, uncertainties have arisen which are likely to negatively impact future operating results. The duration and extent to which COVID-19 may impact financial performance is unknown at this time.
